DANCE & DRUM CONFERENCE FREQUENTLY ASKED QUESTIONS

Dear Manga Dance and Drum Conference community,

Manga African Dance, Inc. (MADI) has been working hard toward the goal of a safe and still enjoyable dance and drum conference experience for this spring, since the pandemic impacted our lives last spring, because we know that exercising plays a significant role in staying healthy. Being that the health and safety of our community is still critical to operate an in-person conference, despite the efforts to smoothly transitioning to that format, we have decided to present you again this year a virtual Dance and Drum Conference. Our dear instructors, have ensured to provide the same high-level energy classes. We would like to thank all our instructors, volunteers and participants for your continued support, and dedication.
